

April 2021 Newsletter

Greetings!

I'm sending this email a little earlier than normal so that I can wish you a Happy Easter!

I am well on the road to recovery from my surgery that I had on March 4th. Thank you all for your well wishes it really meant a lot to know that you were all rooting for me. Thankfully, all histology reports have come back with the all clear, so I don't need any further treatment. That's an enormous relief, I can tell you! I will be back to work from the beginning of May.

Lisa and her family have all recovered from Covid now and they thank you for your good wishes too!

So with the salon due to open from April 12th (all being well), I have been reflecting on the year since last March. This is a full trading year for Beautonics and in all that time we could only open for 22 weeks! Thank you all for your amazing support in that time, you have been the ones to give us the strength to keep going. ♡

So here is the plan for the rest of 2021 (as long as the lockdown releasing roadmap allows):

Friday 16th April Hardeep back doing her usual treatments.

Saturday 17th April Lisa doing a selection of Beauty and Nail treatments.

In the celebrations for last month I forgot one very important one!

March 19th was our 20th Birthday.

I guess if we had been open we would have marked the day in some way, sadly it passed without notice.

Please note that we will keep our 2 special offers below, going indefinitely, so that's something to look forward to! 😊
