

August 2017 Newsletter

Greetings!

Now the holiday season is well and truly upon us I do hope you are all getting chance to have some R&R time, filled with fun and laughter.

Perhaps you'll have chance to come and see Lisa, Hardeep or Alanis to find your perfect make-up base, see our offer below.

We are now stocking the Advanced Nutrition Programme (ANP), a nutritional system that supports your skincare routine. When it comes to a healthy skin, what you put inside the body can be as important as what you apply topically. The ANP is designed to provide optimum daily amounts of vitamins, minerals and other elements to support a healthy lifestyle and maintain a glowing complexion. We would be very happy to discuss this with you further in the salon.
