

December 2016 Newsletter

Greetings!

How are your Christmas preparations going? As you can imagine things are getting really busy here, what with all the essential grooming plus some extra pampering along the way. Make sure you get your appointments booked in as soon as possible to avoid disappointment!

If you fancy some extra sparkle this yuletide then book yourself a gel manicure with some added glitter, this is proving very popular. Don't forget that our Gift Vouchers make a great present and they are valid for 12 months, so there's no huge rush to use them up.

Thinking about 2017 already.... we've got our Frosty Morning Facial back for January and February. So if you didn't get chance to try this out last year, now you can!

It just remains for me to wish you a Very Merry Christmas and a Properous New Year.

FROSTY MORNING FACIAL

Let us warm you through with a delicious price you are designed especially for frosty mornings.

We will indulge your senses with this 45 minute facial whilst you are cocooned in a cosy chair and rest your neck against a heated wheat pillow. During the facial we will exfoliate your skin with a hot compress and whilst the mask is in place we will soothe your hands with a warm oil massage.

JUST £25
