

## December 2020 Newsletter

Welcome back for December!

Yippee, we're open again from the 2nd! We want to make it a December to remember for positive reasons. We may have to make some adjustments to our celebrations this year, but we *can* still celebrate. So why not get your nails done or have a facial to make yourself feel better? It's so important for our mental wellbeing as well as outward appearance.

I want you to know that we are here for you to cheer you up (which in turn cheers us up!), and we will always have your safety as our number one priority.

### December and Beyond Offers
