

February 2017 Newsletter

Greetings!

Have you managed to make it through January without catching the dreaded lurgey? I know so many people have been affected including Lisa and Bridgette here, it's been a bad one. Let's look forward now to better things to come.

We've got a heart warming Valentines Special for you and a little pre-notice of our March and April Special promotion designed to get your facial skin and your tootsies in tip top condition.

Throughout February we still have our Frosty Morning Facial Special, it's been a big hit again this January, so make sure you get yourself booked in before we put it back in the box for another year!

Saturdays are hugely popular now that we don't have our late evenings, so if you want appointments on Saturdays please make sure you book well in advance to avoid disappointment. Most people are booking at least 2 appointments ahead!

We've made it super easy for you to get what you really want this Valentines!
