

February 2019 Newsletter

Greetings!

See our exciting baby news below.

Lisa is taking the opportunity to undertake some more training at the end of the month, one day a week for a few weeks. She'll be kicking off with Pedicures, then 50 shades of tinting for lashes and brows (not exclusively shades of grey!). This will be followed by fabulous facials and then some hair raising waxing (not all bits need apply!).

So Lisa will be looking for willing volunteers as she progresses through each module, to practice her newly learned skills. Half price treatments will be offered with her for a short time subject to room availability. Don't be shy to ask!

I'm off for a couple of days at the end of the month having some minor surgery to my shoulder, but hope to be fighting fit again in a very short period of time.

Please bear with us as we try and accommodate you all in our reduced opening hours currently. I'm not taking on any new clients in order to be able to look after you all who have been so loyal and kept me in work for the last 18 years. Lisa is able to accept new clients for manicures only. As and when things change around this I'll let you know!
