

February 2020 Newsletter

Greetings!

Well, all I can say is brrrrrr! Let's hope that February doesn't bring us any snow.

John and I had a lovely holiday in Madeira in January which left us very rested but boy did we feel the cold when we got back. As some of you may know our holidays are usually very busy affairs doing lots of lovely things, but this time we did absolutely nothing. Just walked, ate and drank, blissful. We did venture out on a catamaran one day in search of dolphins and whales. They didn't want to come out to play however, so one lonely turtle was all we saw, hey ho!

We're in the process of reviewing our treatment menu and have decided that we will discontinue two facials, the Hydra-lift Collagen facial and the Line-smoothing Algae facial. To this effect we have some stock of masks that we want to use up so we have a great offer for you, just read on below.

Hydra-lift Collagen Facial focuses on delivering a burst of moisture by the application of a 99% collagen veil. This will hydrate and plump up fine lines and wrinkles, leaving your skin youthful and enlivened with an even appearance.

Line-Smoothing Algae Facial uses a seaweed compress containing Marine Magnesium, that smoothes, lifts and energises the skin. The active ingredients give the skin radiance, freshness and tone.

Want your skin to feel 10 years
younger?

Book either a
Hydra-Lift Collagen Facial

or a
Line-Smoothing Algae Facial
for just £40.00

(Saving £15 - £20)

Available while stocks last.

-
- Lisa will be on holiday on the following days:

February 19th, 20th, 21st and 22nd

This means that Wendy and Hardeep will be working solo those days so you will find the door locked when we are treating clients. We will answer your phone messages at our earliest opportunity.

.....

SATURDAY OPENING

Here is the list of Saturdays that we are open so you can make plans for your appointments.
