

January 2017 Newsletter

Greetings!

Happy New Year!

But where did 2016 go? Well here we are in 2017, let's hope it's going to be a smooth running one considering we have Brexit and the Trump Presidency to contend with!

The New Year brings changes for us at Beautonics with our new opening times, but we still aim to offer the same high standard of care, just with slightly fewer hours in the week! Hopefully the longer opening on a Saturday will compensate for those of you who work after 5.30pm in the week. I know that many of you are already booking your appointments well in to 2017 to make sure you get the times and dates you want.....very wise people!

This year will see a slight change with our newsletters as well. I had thought to make them bi-monthly, but decided to keep to monthly. However, every other month they may be more of a chatty letter rather than features, depending on how much news we have! I do hope you like them, and as always if you can think of ways to improve them or would like to see something featured in them, then just let us know. We're always open to new ideas and suggestions.

FROSTY MORNING FACIAL

Let us warm you through with a scrumptious pick you up designed especially for frosty mornings.

We will indulge your senses with this 45 minute facial whilst you are cocooned in a cosy chair and rest your neck against a heated wheat pillow. During the facial we will exfoliate your skin with a hot compress and whilst the therapist in place we will soothe your hands to the warm oil massage.

JUST £25

Warning! Heaven in January and February
