

January 2018 Newsletter

Greetings!

Happy New Year! I do hope your festive celebrations haven't left you too exhausted and you're looking forward to the year ahead. I know I am.

We've been busy planning our promotions for the year and we're kicking it off with the ever popular Frosty Morning Facial for January and February.

We've got a date for your diary to keep free if you can: Tuesday March 27th 2pm - 6pm. We're holding a Make-Up Play Day. More information to follow next month, but this will be a really fun day and I do hope you'll be able to join us.

OUR BI-MONTHLY SPECIAL OFFER FOR JANUARY AND FEBRUARY

FROSTY MORNING FACIAL

Let us warm you through with a surprising pinch you up designed especially for frosty mornings.

We will indulge your senses with this 45 minute facial whilst you are cocooned in a cosy chair and rest your neck against a heated wheat pillow. During the facial we will exfoliate your skin with a hot compress and whilst the treatment is in place we will soothe your hands with a warm oil massage.

JUST £25

Warning! Booked in January and February.

This hugely popular facial is back again for January and February.

It really does take the chill out of these cold winter days and leaves you feeling refreshed and ready to face whatever lies ahead for the rest of the day.

ADVANCED NUTRITION PROGRAMME™

SKIN VIT C

Ideal for any time of year but especially in the winter months. We can't store vitamin C in our bodies so we need to get it through our diets or in the form of supplements.

WINTER RESCUE SOLUTIONS

Moisturising Creams

Cold, icy winter weather combined with the temperature fluctuations of warm central heating can play havoc with the skin causing dehydration, dryness and sensitivity. In the winter months opt for richer consistencies and select moisture creams rather than lotions.

Moisture Rich Collagen Cream is a luxuriously thick moisturising cream to smooth fine lines and wrinkles and instantly relieve dryness.

Recovery Balm is an indulgently soothing formulation that provides effective relief for skin suffering from the elements like the wind and cold.

Don't forget you can book your appointments in the comfort of your own home at any time of
