

January 2021 Newsletter

Greetings!

We hope you had an amazing Christmas and are looking forward to 2021. There is light at the end of the tunnel, just not quite sure how long the tunnel is yet! However, this is not the newsletter I was hoping to send today! As of today (January 5th), the whole of England goes into a strict lockdown again. This means that Beautonics cannot open and cannot offer any beauty treatments.

We must all Stay at Home, Protect the NHS and Save Lives.

I had already decided to close the salon for the first 2 weeks of January, due to the high number of Covid cases locally, but it looks like this will now go on till at least 15th February.

I will contact everybody who has appointments scheduled during this 6-week period to confirm cancellation of them. I will re-open online bookings from the beginning of March, which gives another 2-week safety window, just in case the lockdown goes on longer.

I'm really sorry for the inconvenience this causes, especially for those who have already rescheduled appointments. But this virus is out of control and it's going to take a really big effort by us all, to slow it enough in order to reduce restrictions.

It's not all bad news we've got some treats to beat the blues and pamper yourself when we are able to see you. These treats will be offered as soon as we are able to re-open right through to Spring.

WEARING A MASK?
YOU NEED TO MAKE
THE MOST OF YOUR
EYES

COLLAGEN EYE TREATMENT

A radiance boosting anti-aging treatment that visibly reduces the appearance of wrinkles, fine lines, puffiness, and dark circles.

This treatment begins with cleansing of the eye area and removal of eye makeup. Then a Collagen serum is applied and massaged into the skin. The eyes are then covered with a moistened marine collagen eye veil. After 15-20 minutes, the collagen veil is removed, and Collagen Eye Cream is applied.
