

Greetings!

Happy New Year! I do hope that your Christmas and New Year celebrations were what you wanted, whether that's full houses with large family gatherings or peaceful times for rest and recuperation.

Our house was a very restful one this Christmas and New Year a joyous one with good company and a great live band to get us in the mood for the start of the new decade.

Some very exciting news.....Lisa is back on her normal hours! Hip hip hooray!

This means that both Hardeep and I can work at full capacity now that she's here to support us on reception. She's also available for all hand and nail treatments, make-up advice and facial waxing and tinting. So go ahead get you bookings in now!

More Great News!

We're taking on new clients again, so pass the word around you don't have to keep us to yourselves anymore!

-
- Due to Wendy being on holiday for a week from 13th January the salon will be **CLOSED ON TUESDAY 14th JANUARY.**

.....

SATURDAY OPENING

Hardeep can't work Saturdays any more so we've had to return to only opening on alternate Saturdays again this year. This worked out OK last year for most people, it just means that if you can only come on a Saturday we have to plan a little more ahead. So what we suggest is you have at least 2 appointments booked in advance to make sure you get what you want!

Here is the list of Saturdays that we are open so you can start to make plans.
