

## July 2020 Newsletter

Greetings!

Well today was the day we had hoped to re-open, unfortunately the government has other plans for us. I'm sad to say that we have no date to work to at all, so it really is a waiting game.

My best guess is that Boris and his advisers are going to wait 2 -3 weeks from July 4th when the biggest easing of lock-down restrictions took place, to see what impact that has on the spread of the virus. Only then if all is OK will he lift more restrictions and hopefully then we will fall into that category and be able to give you a date.

As soon as we can we will reopen as we are ready to go with very short notice! See some photos later of what you can expect when you do visit us again.

Good news for **Chiropody Services** though; Bridgette started back at the salon on July 6th. As there is nobody on reception at the moment I have diverted all calls to the salon to my mobile phone. However if you want an appointment with Bridgette it is best to ring her direct on **07798765744**.

### **Online Booking Suspension**

I have suspended our online booking service currently so that we don't have to re-arrange too many appointments if our reopening is delayed further.

You can, however join a Waiting List by using the blue "Book Now" button on our website or by clicking on the link below. This will let us know that you want an appointment and we will contact you to make a booking as soon as we know when we can reopen.

If you had an appointment for July cancelled by us, you don't have to do anything as I have already placed you on the waiting list.

### **A few photos of the Covid proof salon!**

Reception desk with a perspex screen and space for contactless payments.

Sanitisation station with masks, gloves, tissues and alcohol gel sanitiser in an automatic dispenser.

All products in lock-down! Posters to show what's available and we will get what you want from storage.

Main treatment room with no frills, but ready for you as soon as we are able!

Over the last week I've been helping John get the pub ready for re-opening. That was a much bigger job than mine, to make a pub environment as safe as possible. He decided not to open on July 4th; he called it Silly Saturday, instead he's aiming for Wise Wednesday of this week. I think he's made a great job of it and can recommend The Golden Cross at Sutton St Nicholas as a lovely venue to enjoy a meal and a drink or two. Why not give it a try?

I do hope that the next time I write it is with the good news date for our reopening. Until then I will bid you a fond farewell and hope that you stay safe and well.

Warmest Regards,
