March Newsletter 2020

Greetings!

"It finally feels like Spring is on its way - bring on the longer, milder, brighter days! There's something special about the smell of Spring - it makes you want to get out, be active and breathe in that fresh air!" - Well that's what I should be saying!!!! Instead it's all about the floods, wind and rain. I do hope that you are all safe and well and that it won't be too much longer before my first statement applies!

Mother's Day is fast approaching (March 22nd), so it's the perfect opportunity to spoil the woman who brought you into this world and show her you care with some of our treatments. Or if, like me, your Mum is no longer with you then treat yourself....you know you're worth it!

Just a note also to tell you that the salon will be closed on Tuesday 10th March as I will be in Morecambe on more *NO HANDS* training.

Unfortunately, we are having some price changes in March, but we have tried to keep them to a minimum. Brazilians/Hollywood's will now be £28, and Extended Bikini using Hot wax will now be £18 and all packages including Brazilians/Hollywood's will increase by £3. We will however honour any appointments made for March at the old price.

Also Monu Skincare have increased their prices to us across the whole range, so we have decided that as we get new stock in the price to you will change. Therefore, if you know that you are low on any Monu Products come and get them whilst we have existing stock at the old prices.
