

March 2021 Newsletter

Greetings!

I'm sending this email a little earlier than normal for reasons you will understand below, but also to be able to celebrate St David's Day on March 1st!

So the government has published its roadmap for the gradual releasing of the national lockdown. If all goes well, and that is a big "if", beauty salons will be able to return to work from the 12th of April at the earliest.

I have therefore re-opened the online bookings from that week onwards.

There are some changes that you need to be aware of though, some are permanent and some are temporary.

I have to have some major surgery this week and won't be back to work until the beginning of May, all being well. You are free to make appointments with me on Tuesday afternoons, all day Thursdays and alternate Saturdays, on the basis that if my recovery doesn't go as planned or I need further treatment, that I may need to reschedule.

Hardeep will return to working Wednesdays from April 21st, so that's on top of her Fridays permanently. She's also covering for me on Saturday May 1st. Lisa will do some limited beauty treatments on Thursdays until my return, and also on Saturday April 17th.

Lisa and her whole family have had a period of complete self-isolation, due to testing positive for coronavirus. They have all had slightly different symptoms and whilst her 2 children had quite mild symptoms, both Lisa and her husband have been quite poorly. Thankfully, they haven't needed hospitalisation but will take a while longer to recover fully. She wanted me to let you know that she is OK, and is looking forward to returning to work, even if she's a little slower than normal to begin with! 😊

Please note that we will keep our 2 special offers below, going indefinitely, so that's something to look forward to! 😊

WEARING A MASK?
YOU NEED TO MAKE
THE MOST OF YOUR
EYES

COLLAGEN EYE TREATMENT

A radiance boosting anti-aging treatment that visibly reduces the appearance of wrinkles, fine lines, puffiness, and dark circles.

This treatment begins with cleansing of the eye area and removal of eye makeup. Then a Collagen serum is applied and massaged into the skin. The eyes are then covered with a moistened marine collagen eye veil. After 15-20 minutes, the collagen veil is removed, and Collagen Eye Cream is applied.
