May 2019 Newsletter

Greetings!

I have just a few more weeks where I will be offering my beauty treatments on a Wednesday, then it's over to Lisa! I'll still be available for Beauty treatments on a Tuesday afternoon, all day Thursdays and Fridays and the alternate Saturdays that we're working.Tuesday mornings are still dedicated to my *NO HANDS* massage.

In future on Wednesdays I shall be on reception, and available for facial waxing and tinting in our make-up room plus manicures (but not French!). Lisa will be available on the same basis (but including French Manicures!) for Thursdays, Fridays and the alternate Saturdays we are working.

As the diary is already filling up for May and June, make sure you get your future appointments booked in now to avoid disappointment!

When I get back from my holiday in the middle of May I hope to be able to talk to both Jade and Hardeep about their plans for returning to work, so I may have some more news for you on that front in the June newsletter. They are both doing well and both babies are thriving.
