

May 2021 Newsletter

Greetings!

I'm afraid I couldn't resist the reference to Star Wars in the email message heading as this newsletter is being sent on May 4th!

Sadly, since I last wrote we have lost Prince Phillip, HRH The Duke of Edinburgh. You may well know that I am a huge Royalist and I was utterly devastated for the Queen when I heard the news. I can't imagine what it must feel like to lose someone who has been part of your life for so many years. I know that this country has lost a significant person who did so much behind the scenes and a great forward thinking man, way ahead of his times in his thinking on the environment and so many other things. Please God, that the Queen has the strength to carry on in his absence for a few more years yet.

Today is my first day back at work after my sick leave and I am so looking forward to chatting with you all again in person. I have reduced my working hours though, so Hardeep has taken an extra day now. Also, I feel it only fair to give you advance notice that I will retire at the end of the year from the salon. I hope the salon will continue after then and still give you the same great service you have had over the last 20 years.

Here is our new normal routine:

Tuesday mornings Wendy does Transformational Touch Massage.

Tuesday afternoons Wendy does Beauty treatments.

Wednesdays Wendy does Beauty treatments and Lisa works on Reception and Nail treatments.

Thursdays and Fridays Hardeep does Beauty treatments and Lisa works on Reception and Nail Treatments.

Alternate Saturdays from 15th May Wendy does Beauty treatments and Lisa works on Reception and Nail treatments.

Please note that we will keep our 2 special offers below, going indefinitely, so that's something to look forward to! 😊

COLLAGEN EYE TREATMENT

A radiance boosting anti-aging treatment that visibly reduces the appearance of wrinkles, fine lines, puffiness, and dark circles.

This treatment begins with cleansing of the eye area and removal of eye makeup. Then a Collagen serum is applied and massaged into the skin. The eyes are then covered with a moistened marine collagen eye veil. After 15-20 minutes, the collagen veil is removed, and Collagen Eye Cream is applied.
