

## November 2020 Newsletter

Greetings!

*Here we go again.....another lockdown! As of Thursday 5th November, we won't be able to see anyone for 4 weeks. We hope to re-open on Wednesday 2nd December, but there are no guarantees of that. I have spent the last couple of days emailing and ringing everyone who had planned appointments over that period to cancel or reschedule where we could. You can book online for December, as usual. Podiatry/Chiropody appointments with Bridgette Kempson are still going ahead, as that service is classed as medical.*

**What follows in the rest of this newsletter is for December onwards!**

With the weather changing for the worse and winter setting in, we've been coming up with some ideas to help you feel better, not just physically but mentally as well. Our thoughts are also turning towards Christmas, so we've come up with some gift ideas. Even though things may be a little different this year, we have to make the most of what we can do. As they say in the song..... things can only get better!

Here are just a few things to remember for your visit to us:

1. Do not arrive early, especially if it's raining. Our reception area is too small to allow people to wait inside at the moment. We are working bang on time!
2. Put your face-covering on before you come in.
3. Hand sanitise on entry and check in with the NHS Covid 19 QR code (where possible).
4. RELAX! We are as safe as we can be and we want you to know we are going above and beyond the government guidelines. So smile, take a breath and enjoy. 😊

If you still haven't ventured back to us yet, we've created a short 7 minute video to show you some measures we've put in place to keep you safe in these Covid times.

Whilst we are closed in November email us on [beautonics@btconnect.com](mailto:beautonics@btconnect.com) to place your order and I will post them out to you free of charge.

2 great treatments, especially for these tough times. Not only will they help deal with the effects of having to wear masks all the time, but they are an escape from the outside world, even if only for 30 - 35 minutes.

We are selling vouchers online and over the phone. If you purchase online, they will be emailed to you or whoever you are giving them to, it's your choice. If you buy over the phone, we can either post them to you or you can arrange a time to come and collect them. Sorry we can't have people just dropping in at the moment, all visits have to be by appointment only.

**During November the only option for buying vouchers is online.**
