

## October 2020 Newsletter

Greetings!

Can you believe it? Summer has drawn to a close and October is here! October may be a time when we start to hunker down for winter but with it comes a glimmer of hope and excitement for the future regarding a possible vaccine for Covid. But in the meantime if you were thinking of sprucing things up, it's never too late and Beautonics is the perfect place to start.

I hope you will see from our reviews that people feel safe in our Covid secure salon. I want to assure you we are doing everything we possibly can to make a visit to Beautonics safe but still pleasant. The level of PPE that we are using far outweighs many other environments. At all times we wear a visor and when we are actually doing treatments we add a mask, an apron and gloves. Screens are in position at the Manicure station and reception desk.

[Follow this link for guidelines for visiting us during these Covid times.](#)

### OCTOBER APPOINTMENTS AVAILABLE

It's time to switch things up and get ready for Autumn. Here at Beautonics we've still got appointments available for October and are ready to create the perfect look for you.

## CHECK OUT OUR REVIEWS

We don't like to brag but we have a 5 Star Rating from clients (we just choose not to have a Facebook account to share them). We ask our new clients to leave their comments about the service they have received. To those of you that have left us one of these amazing reviews, thank you! It's only through receiving these reviews that we can put things in order if we haven't quite matched your expectations. Luckily that doesn't happen very often!

5/8/20 You really made me feel welcome and at ease. The organisation re covid was great and I felt really safe. I'll definitely be back in about 4 weeks. Thank you. NP

*19/8/20 Thank you Wendy for a great wax!! I was relaxed the entire time, considering I'm not so good with the pain. Really happy with the result. I also felt really safe, this is probably one of the best places I've been in for being covid secure. LH*

## QR CODE IN SALON NOW

In line with government guidance, we have our QR code displayed in the salon to help with Track and Trace. Please scan the code using the NHS Covid 19 App (if you are able) when you come into the salon so we can be contacted if you test positive for Covid 19

We hope you have an amazing October to remember, and not just because of Covid!

Warmest Regards,

Wendy
