

October 2021 Newsletter

Hi Mary,
So this will be my last newsletter I write to you.

Thank you for spending time with me over the last 20 years. I don't know where that time has gone!

Things have changed since we opened here on 19th March 2001. My hair's certainly got a lot greyer and there are a few more wrinkles, despite using Monu products every day! You can't turn back the ageing clock, just hopefully allow it to happen in a graceful, accepting way. Beauty is so much more than just skin deep, something I hope I have embodied in my time here.

I've seen some of you for all that 20+ years I've been here, watching your families grow and grow up. It's been a blast.

But my time has come to retire. If lockdown taught me anything, it was to slow down and smell the roses, literally. I'm going to enjoy my garden a lot more and work on some projects I've been putting off due to lack of time. More family history research beckons as well.

I will still be seeing some clients at home for massage and would welcome any of you at my home if you wanted to give my style of massage a go. You can contact me on 07858137889 or email on millsw1@tiscali.co.uk for more information.

Beautonics is still under my ownership until 25th October and in order to sell off as much of the stock that the new owner will not be keeping, we have some great offers. Read below about Jane Iredale testers. **In addition, all Jane Iredale retail stock is now HALF PRICE, so it's definitely worth grabbing a bargain there.**

There is limited Monu, Kaeso and Cuccio stock left, which hasn't been reduced yet....!

Katie, the new owner has written an introduction to herself which you can read below.

We are selling all our Jane Iredale Testers as the new owner will be using a different brand of make-up.

GRAB YOURSELF A BARGAIN WHILE YOU CAN!

Some of these testers have never been used, and those that have, have all been used within strict hygiene protocols.

Liquid foundations; Pressed Powder foundations; Loose Powder foundations;

concealers, Lipsticks, Eyeshadows, Hydration Sprays and much more.

PLEASE FEEL FREE TO COME IN AND BROWSE THE LARGE SELECTION. FROM £3 - £5.

JANE IREDALE MINERAL MAKE-UP TESTERS FOR SALE

Hello,

My name is Katie, I will be the new salon owner on 25th October. This will be an exciting new chapter in my life, something I have dreamt of for 14 years.

I have been in the beauty industry for 11 years. I am a full qualified level 2 and 3 beauty therapist. I studied at college for 3 years, also qualifying in all aspects of nails, including acrylics. I have also completed further training courses to widen my experience in other beauty treatments.

This allows me to bring to the salon five new treatments which are: acrylics, eyelash extensions, lash lift, brow lamination and derma planing.

My standards are high. I am a perfectionist and I love my job. From meeting my clients, building a rapport with them, to fulfilling their requirements.

I'm excited and looking forward to welcoming as well as meeting new and existing clients to the salon.

See you soon,

Katie.

WEBSITE CLOSURE

My website www.beautonics.org will close at the end of October, so if you still book online through the website you won't be able to do that for much longer.

You can book online with this direct link:

<https://phorest.com/book/salons/beautonics>

I suggest you save this link to your favourites so that you can easily find it again. It will take you to exactly the same site that you have been using in the past. Katie will be still using the online booking system for the foreseeable future, and although she doesn't have a website yet, this link will be added to her Facebook page in due course.

I'm sure she will be in touch soon to tell you about her latest innovations at the salon.

With warmest wishes for the future, wherever that takes you,
Wendy.
