

Salon Re-Opening Guidance Newsletter

Greetings!

John and I should have been in on holiday in Uzbekistan this week, but like so many, those arrangements have been cancelled. Whilst I'm very sad not to be having a lovely new adventure, I'm very happy to be safe and well, and that far out-weighs any holiday. However, it got me thinking about previous holidays and I started looking through old albums (most of which are digital). It gave me great joy looking at these so I thought I would share with you a small selection. Not to make you envious but to give us something to talk about, other than Coronavirus, when we are able to meet up again. Enjoy! If you would like to view them, click on the link below, the link expires on 2nd June.

RE-OPENING JULY 7TH - HOPEFULLY!

Coronavirus alert levels

UK at level 4

Stage of outbreak		Measures in place
Risk of healthcare services being overwhelmed	5	Lockdown begins
Transmission is high or rising exponentially	4	Social distancing continues
Virus is in general circulation	3	Gradual relaxation of restrictions No Close Facial Treatments
Number of cases and transmission is low	2	Minimal social distancing, enhanced tracing Facial Treatments Resume
Covid-19 no longer present in UK	1	Routine international monitoring

Source : UK government

BBC

This Alert Level graph shows that we are currently at Level 4 and with the latest relaxation of some restrictions we should be down to Level 3. You will see that I have added No Close Facial Treatments at this level which includes all Facials and facial hair removal and tinting. I'm hoping that as we head into Level 2 these treatments will resume. Sorry but any facials booked up to the end of August will be cancelled.

We are also not able to offer Manicures at Level 3 because the Nail Station is not able to be in a position to offer 2 meter Social Distancing within the salon. If you desperately need your fingernails clipping/filing, then we can do this in

the main treatment room using the couch as a table. As this is not the most comfortable way of working, we won't be offering Gel Manicures etc just Files and Polishes. You will need to ring the salon to arrange this.

We will be following a strict routine of Salon hygiene and disinfecting and as therapists will wear the appropriate Personal Protective Equipment (PPE) for each treatment. I have drawn up a list of guidelines for you as a client to be aware of, please click on the link below for these

[Client Guidelines for Visiting Beautonics](#)

In addition to these guidelines, please be aware that there will be no waiting in Reception, so please don't bring anyone with you. There will be a strict one person in - one person out policy, so please don't come very early for your appointment. Please wear a face covering at all times, it does not have to be a surgical mask, but if you don't have a covering we will provide masks in the salon.

Don't bring lots of bags with you as we request you touch as few surfaces as possible. No teas or coffees will be offered, but we will offer water in disposable cups if necessary.

PRODUCT SALES

If you need to buy any products from us when we re-open, we will be operating a Call and Collect Service. So please give us a ring on 01432 370550 with your order, we will check our stock, take payment, and get the order ready for you. We will give you a designated time to come and collect. In the meantime if you want any of the products I have available for FREE delivery you can use the online system listed below. Please be aware that I don't have any Lemon, Tangerine or Lavender Pedi-in-a-Box's left.

[ONLINE ORDER FORM](#)

This seems a very wordy newsletter this time, but there's quite a lot of information to give out. If any of it is unclear please do get in touch via email (beautonics@btconnect.com) and I will do my best to answer any questions. You can still make appointments in advance online using the link below.

[BOOK ONLINE HERE](#)

So long as the virus comes under control, I do hope to see you very soon.
Warmest Regards,

Wendy.
