

September 2017 Newsletter

Greetings!

Now that the kids are back to school I do hope you are able to find some time for yourself, even though getting around make take a little longer thanks to the increased traffic again!

It may be that you are able to plan a little for the next couple of months, so take a look below for our Facial offering for October and November.

As we are now stocking the Advanced Nutrition Programme (ANP), I am going to do a series of articles about the supplements and how they can help with different skin issues. This month starts with Skin Accumax and how it can help with problem skins like acne and acne rosacea. We would be very happy to discuss this with you further in the salon with a Skin Nutrition Consultation.

I have to apologise to my regular clients that I am not around much in October and November. For those of you I haven't managed to speak to yet I am on a couple of courses in October plus 2 weeks of Jury Service, so that has pretty much wiped me out from the diary. I am on holiday in November from 9th - 19th, so I would urge you to get booked in now for what little time I have got, or take this opportunity to see Hardeep or Alanis instead....they won't bite honest!

With Warmest Wishes

Wendy
