

September 2021 Newsletter

Greetings!

Isn't this weather just typical! Just as the kids go back to school, it brightens up. C'est la vie 😊

So, this month I have some very exciting news. I have secured a sale for the salon, which will end all the uncertainty that has been around for the last couple of months.

A very nice lady called Katie will take over from me on 25th October 2021. There will be some changes I'm sure, mainly to do with the product ranges she uses initially. She is very keen to meet you all in due course and introduce some new treatments along the way. I will tell you more about her in the next newsletter.

So that being said, there will be some magnificent offers available on our remaining products between now and 25th October.

Our loyalty scheme has ended now, so we are encouraging you all to use up any remaining points on products where you can. For example, if you have 500 points you could take away one of these: Pedi in a Box, Sheet face Mask, or a combination of lower priced items like tweezers, nail files, dream catcher keyrings, nail varnish remover, etc. We will guide you through what's available when you come for your appointment.

If you have an appointment booked with me after the 25th October, I will contact you personally over the next couple of weeks to discuss what you would like to do. If I am due to see you in the next few weeks, we can talk about it then.

In the meantime, enjoy this hot weather while it lasts!
